

# Broken Bow Police Department Officer Complaint Form

The Broken Bow Police Department takes complaints against our officers very seriously. It is our belief that in most cases problems between our officers and our citizens can be resolved without a formal complaint and as a department we will strive to do so whenever possible.

There are instances when a written formal complaint is required by a citizen or deemed necessary by the Broken Bow Police Department. In those cases the following form will be used to manage the complaint and document the outcome.

Please return this form sealed in the envelope provided, and mark the envelope attention Asst. Chief Purdy.
